

7th Annual TSAG Golf Tournament was a success.

Thank You for Your Support!

We would like to take this opportunity to thank everyone who attended, sponsored, donated, volunteered, or assisted in any way with the 7th Annual TSAG Golf Fundraiser Tournament. We had an outstanding day.

This year's event was the first of its kind as we combined efforts with Habitat for Humanity Edmonton. Profits raised at this event will go towards the partnership in an effort to build homes for First Nations Families in the Edmonton Area.

Thanks to your participation, we sold out with a total of 136 golfers.

We would like to personally thank all our sponsors.
